

BOARD OF REVIEW

MINUTES

September 15, 2009

Board of Review was called to order by Chairman Ron Petrowski. Members present were Mark Evans, Terry Regester, Kelly Wright, Matt Focht and Building Official Richard Thomas . Secretary Shannon Frascella was not present

Approval of Minutes from last meeting 5-19-09

Approval of minutes was motioned, seconded and passed unanimously.

OLD BUSINESS

1. Discussion on Solar contracting licensing, the Board agreed that this would need to be divided into subcategories:
 - a. Electrical application needing a Registered Electrical contractor
 - b. Heating application needing either a licensed HA or Plumbing contractorFurther discussion will be needed for Wind vs. Panel applications
2. Discussion on scope of work allowable by a Licensed Maintenance Personnel working within a Commercial company.
 - a. Plumbing work allowed: Changing Fixtures (toilets & urinals, etc..)
 - b. Plumbing work not allowed: Anything dealing with Air Conditioners, Refrigeration, Gas or Gas lines.
 - c. Electrical work allowed: changing preexisting wires (moving gaming machines)
 - d. Electrical work not allowed: Running circuits or wiring from panel.
 - e. Anything done structural or affecting Fire Suppression will need to have architectural stamped plans submitted and reviewed for approval.Further discussion with Shannon is needed to get all specifics documented.

NEW BUSINESS:

1. Granting of a Class A – General license to Mahler GC General Contracting, Inc. was motioned, second and passed unanimously.
